
HAMBLETON PARISH COUNCIL & HAMBLETON IN BLOOM Newsletter

Welcome to our first quarterly Newsletter which aims to let the good folk of Hambleton know what's going on around the village, how to get involved and how they can help the Parish Council make Hambleton a better place to live, work and play.

Hambleton Community Speeding Group

There is now a regular monthly group held to consider speeding concerns in the village. Please come along to the next one on ??/??/???? at ??????? to raise concerns about issues on the roads around your home.

A recent outcome of this meeting has been the production of a series of posters aimed at making motorists more speed aware. A competition has been held by the Parish Council in corporation with Hambleton Primary and Junior School and the winning entries will be popping up around at strategic points around the village in the new term.

Village Litter Pick

To keep our village looking its best throughout the year, we are looking to get regular litter picks going again very soon.

The next sessions are planned for:
??/??/???? at ?? starting and finishing at the Shovels pub.

SPiDs

Two new Speed Indicator Devices have been purchased by the Parish Council for use in the village. These new models have the capability to provide additional statistics (although not individual number plate details) which will help inform traffic and speed management decisions in the future in problem areas.

Village Hall

Our newly styled and decorated Village Hall is now open and available for booking.
Please ring Keeley on ????????????????????

This Newsletter will be available each quarter:

Yvonne Walton Tel: 07703 773785

The full minutes of each Parish Council Meeting are available on our website:

HambletonParishCouncil.org.uk.

HAMBLETON IN BLOOM

Best Kept Village/ Hambleton in Bloom

We are very pleased to report that Hambleton has reached the next round of the Best Kept Village Competition. Judging is based on the tidiness of the village as a whole and we thank everyone for taking pride in the village and helping us present it to such a high standard. The results for this and Hambleton in Bloom will be announced in November.

Bob Williams Park Gates

After a series of anti-social behaviour incidents in the car park earlier in the year, the Parish Council took the decision to lock the gates at night. They are closed at 7pm each evening and reopened at 7am the next morning. Villagers are still welcome to use the other facilities the Park has to offer but please remember to be considerate to other park users and the park's neighbours.

We would like to thank Councillor Julie Robinson and Lengthsman Andy ??????, who have taken on the brunt of this work. If anyone would like to volunteer to help lock and unlock, please contact the Parish Clerk Yvonne Walton.

Park Working Group

We are pleased to announce we are restarting the Park Working Group on 18th September 2021. We will meet at the car park in the Park at 10.00am for a couple of hours. We invite volunteers of all ages and abilities to join us to keep the Park looking smart. The kind of jobs the volunteers undertake are fence painting, weeding, planting and general upkeep.

We are a happy group who are rewarded with a brew and refreshments at the end.

Come and join us. Please ring if you need any more details.

Park Five Year Plan

If you have any ideas about the kind of facilities or resources you would like to see on the Park, please visit the Parish Council's website (details below) and respond to our proposals for the Park for the coming five years. If you do not have internet access, a paper copy can be provided.

Winter Tubs

The sponsored flower tubs have brought some beautiful summer colour to the village but as their colour fades it's time to start thinking about Winter tubs. We have a limited number available, each of which can display loved one's names and a message.

Volunteers Needed

The park and the village flower displays are a labour of love and we are so grateful to the folk who regularly give their time to keep them in good order. The more volunteers we have, the more we can do to make the village even more beautiful.

If you would like to join our merry band, please ring for details.
