

NOTICE FROM GARSTANG POLICE

Just of note please can I ask you to pass on to parents/carers and guardians of young people that there is a growing trend in the use of nitrous oxide cannisters to get high (see attached photo)! Although they are not illegal, a number of discarded cannisters have been reported as being found in locations in Forton, Catterall and Hambleton! The use of this gas can have deadly consequences and it is more of a health warning and a concern for vulnerability of young people using them and not being near to help if something goes wrong!!

Many thanks and stay safe!

Danielle

Sgt 6336 Danielle Freaney

NPT Sgt Garstang, Over Wyre & Poulton.

Garstang Police Station, Moss Lane, Garstang, PR3 1HB
